· Hazard-detern	nining components of labelling:
sodium dithioni	
sodium metabis	sulphite
<ul> <li>Hazard statem</li> </ul>	nents
H251 Self-heat	ing: may catch fire.
H302 Harmful i	
	serious eye damage.
<ul> <li>Precautionary</li> </ul>	
P280	Wear eye protection / face protection.
	Keep cool. Protect from sunlight.
P305+P351+P3	338 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact
	lenses, if present and easy to do. Continue rinsing.
P301+P312	
P302+P352	
P420	Store away from other materials.
P501	Dispose of contents/container in accordance with local/regional/national/international regulations.
· Additional info	•
	ct with acids liberates toxic gas.
· 2.3 Other haza	ards
· Results of PB	T and vPvB assessment
• <b>PBT:</b> Not appli	cable.
• vPvB: Not app	

#### SECTION 3: Composition/information on ingredients

· 3.2 Chemical characterisation: Mixtures

• **Description:** Mixture of substances listed below with nonhazardous additions.

<ul> <li>Dangerous components:</li> </ul>		
CAS: 7775-14-6 EINECS: 231-890-0 Reg.nr.: 01-2119520510-57-0013	sodium dithionite Self-heat. 1, H251; (1) Acute Tox. 4, H302; Eye Irrit. 2 H319	70 - 100%
CAS: 7681-57-4 EINECS: 231-673-0 Reg.nr.: 01-2119531326-45	sodium metabisulphite	5 - 15%
CAS: 497-19-8 EINECS: 207-838-8	sodium carbonate	2 - 5%
Additional information: For the wording of the listed risk phrases refer to section 16.		

### **SECTION 4: First aid measures**

- · 4.1 Description of first aid measures
- · General information:

Symptoms of poisoning may even occur after several hours; therefore medical observation for at least 48 hours after the accident.

- · After inhalation: Supply fresh air.
- After skin contact: Rinse with warm water.

Immediately rinse with water.

• After eye contact: Rinse opened eye for several minutes under running water. If symptoms persist, consult a doctor.

(Contd. on page 3)

GB

Revision: 16.02.2016

(Contd. of page 2)

#### Trade name: SBIANCO SUPER

• After swallowing:

Rinse your mouth well Call for a doctor immediately.

- **4.2 Most important symptoms and effects, both acute and delayed** No further relevant information available.
- **4.3 Indication of any immediate medical attention and special treatment needed** No further relevant information available.

## SECTION 5: Firefighting measures

- · 5.1 Extinguishing media
- · Suitable extinguishing agents:
- CO2, powder or water spray. Fight larger fires with water spray or alcohol resistant foam.
- 5.2 Special hazards arising from the substance or mixture No further relevant information available.
- · 5.3 Advice for firefighters
- · Protective equipment:
- Use to respiratory protection

Mouth respiratory protective device.

#### SECTION 6: Accidental release measures

- **6.1 Personal precautions, protective equipment and emergency procedures** Mount respiratory protective device.
- · 6.2 Environmental precautions: Do not allow to enter sewers/ surface or ground water.
- 6.3 Methods and material for containment and cleaning up: Dispose contaminated material as waste according to item 13.
- 6.4 Reference to other sections
   See Section 7 for information on safe handling.
   See Section 8 for information on personal protection equipment.
   See Section 13 for disposal information.

### **SECTION 7: Handling and storage**

- 7.1 Precautions for safe handling No special precautions are necessary if used correctly.
- · Information about fire and explosion protection:

Do not spray onto a naked flame or any incandescent material.

- · 7.2 Conditions for safe storage, including any incompatibilities
- · Storage:
- · Requirements to be met by storerooms and receptacles: No special requirements.
- Information about storage in one common storage facility: Do not store together with acids.
- · Further information about storage conditions:
- Keep container tightly sealed.

Store in cool, dry conditions in well sealed receptacles.

· 7.3 Specific end use(s) No further relevant information available.

## SECTION 8: Exposure controls/personal protection

· Additional information about design of technical facilities: No further data; see item 7.

## SECTION 10: Stability and reactivity

· 10.1 Reactivity No further relevant information available.

· 10.2 Chemical stability

• Thermal decomposition / conditions to be avoided: No decomposition if used according to specifications.

- 10.3 Possibility of hazardous reactions No dangerous reactions known.
- · 10.4 Conditions to avoid

The product is normally supplied in a stabilized form. Avoid excessive heat for long periods of time, the product can polymerize. Avoid heat, flames and other sources of ignition excessive variations in temperature, below 0 °C and above 45 °C

- **10.5 Incompatible materials:** Avoid contact with acids and oxidants.
- · 10.6 Hazardous decomposition products: No dangerous decomposition products known.

### **SECTION 11: Toxicological information**

- · 11.1 Information on toxicological effects
- · Acute toxicity
- Harmful if swallowed.

#### **SECTION 13: Disposal considerations**

· 13.1 Waste treatment methods

#### · Recommendation

Must not be disposed together with household garbage. Do not allow product to reach sewage system.

- · Uncleaned packaging:
- **Recommendation:** Disposal must be made according to official regulations.
- · Recommended cleansing agents:

Water, if necessary together with cleansing agents. Water.

#### SECTION 15: Regulatory information

- 15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture
- · Directive 2012/18/EU
- · Named dangerous substances ANNEX I None of the ingredients is listed.
- · 15.2 Chemical safety assessment: A Chemical Safety Assessment has not been carried out.

#### SECTION 16: Other information

This information is based on our present knowledge. However, this shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship. The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text.

#### · Relevant phrases

H251 Self-heating: may catch fire. H302 Harmful if swallowed. H318 Causes serious eye damage. H319 Causes serious eye irritation. • **Contact:** ---
